# 2019 U.S. Kids Golf Player Pathway Program

*Salt Lake City Golf is proud to utilize the U.S. Kids Golf Player Pathway Program during our clinics and camps, in order to provide the most positive and fun learning experience possible for your junior player.*

*Outlined below is a summary of the U.S. Kids Golf Player Pathway:*

- Fun is the number one reason kids play sports! Our game-based learning techniques promise to increase the fun factor which keeps juniors truly engaged.
- Games trigger an energized learning environment that keeps kids motivated to participate. Game based learning provides structure, kid friendly competition, immediate feedback, and helps build confidence early in the learning process.
- The Player Pathway consists of five levels for the 2019 season. The booklets for each level are an essential communication tool, providing an effective way to work from the same point of reference for the parent, student and instructor.
- Achievement pins are awarded in each level when the required skills assessments have been successfully completed. The five achievement pins are putting, around the green, full swing, knowledge and scoring.
- The U.S. Kids Golf Player Pathway is progressively more challenging.
  - Level 1 can generally be completed in 4-8 hours of instruction
  - Levels 2 can generally be completed in 8-12 hours of instruction
  - Levels 3-5 can generally be completed in a season long effort
    - Level 3-5 are only taught in camps due to the amount of learning materials.
    - It is possible for a player to enter the program at Level 3 if the player brings attested scoring information and passes the skill requirements of the previous level.
    - Levels 6-10 will be added in 2020.

- Completion of Levels 1-5 establishes the fundamentals to ensure a lifetime of enjoyment and knowledge of the game.

Participants will be exposed to the driving range, chipping and pitching area and putting. Fun games using SNAG equipment are also implemented into this level. There is no testing in the TARGET Level. Once a participant is able to demonstrate various golf fundamentals as well as The First Tee Code of Conduct, they move into the PLAYer level.
- **PLAYer (required minimum age 7):** Children ages 7 and above or participants who have progressed from the TARGET Level. The PLAYer level is the introductory level of The First Tee Life Skills Experience. These interpersonal and self-management skills will help participants develop much more than their golf game.
- **Par (Must be PLAYer certified. Recommended minimum age 9):** For The First Tee participants who are PLAYer Certified. The PAR level builds on the PLAYer level by introducing PLAYers to the mental side of golf while learning skills that will help them on and off the golf course.
